

Chest Exam Social Story

I have an appointment to see my doctor today.

The doctor is going to check my chest.

I put on an exam gown.

I sit on the exam table.

The doctor looks at my chest.

The doctor listens to my lungs.

I take deep breaths.

I lay
down.

The
doctor
listens to
my heart.

After the
exam my
doctor and I
talk about
next steps.

THE END
