

Female Exam Social Story

I have a visit with my doctor today. The doctor is going to check my private parts.

I clean my body.

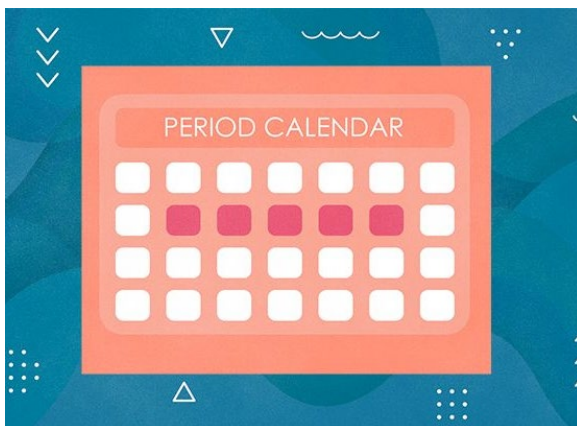

I check in and sit in the waiting room.

I ask the nurse if I need to pee in a cup.

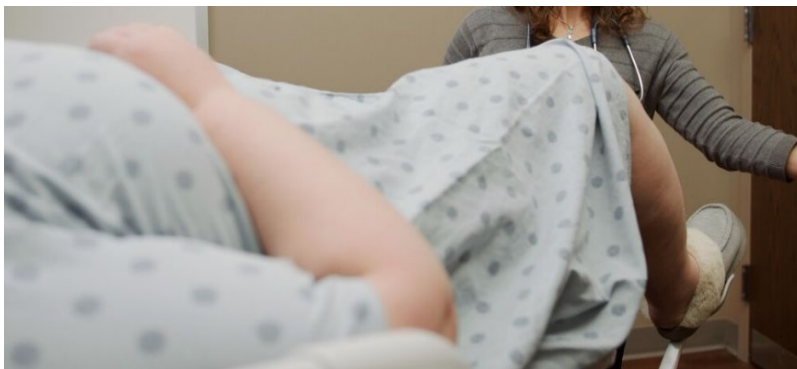

I change into a gown. I sit on the exam table.

I tell the doctor about my period bleeding.

**I lay down and
put my heels in
the foot holders.**

**I scoot my
bottom to the
end of the table.**

**I let my knees
fall to each side.**

**The doctor
looks at my
skin.**

**The doctor
checks my
groin and labia.**

**The doctor
looks inside
my vagina.**

**The doctor
uses a
speculum.**

**I ask the
doctor to
stop if I need
a break.**

**The doctor
looks at my
anus.**

**Great job getting
your exam!**

**The doctor
and I talk
about next
steps.**
