

Goodnight hugs and kisses from mom and dad are also okay touches.

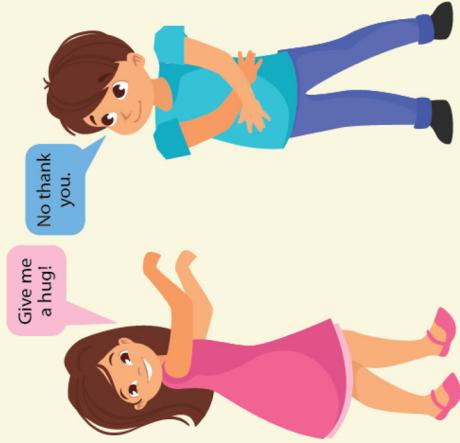

High fives and handshakes are okay touches.

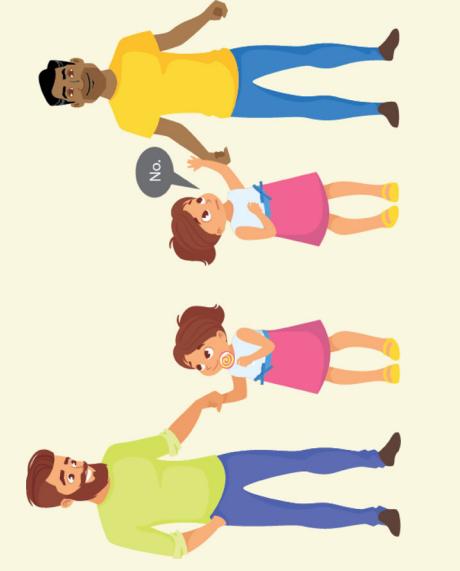

Some touches are safe and okay.

I can also choose when people are allowed to touch me.

I get to choose who is allowed to touch me.

Some touches are NOT okay.

## OKAY VS NOT OKAY TOUCHES

**Be Safe**  
Ask. Listen. Respect.

This campaign promotes the idea of body autonomy for individuals with disabilities. ASERT has partnered with researchers at the National Crime Victims Research and Treatment Center at the Medical University of South Carolina to develop resources for the Be Safe campaign.

The Autism Services, Education, Resources and Training (ASERT) Collaborative is a statewide initiative funded by the Bureau of Autism Services, PA Department of Human Services.

It is NOT okay to touch my private parts unless I say it is okay.

It is NOT okay for someone to rub my body unless I say it is okay.

It is NOT okay for someone to hug or kiss me unless I say it is okay.

People should only touch me when I say it is okay.

I am in charge of my body.

Hitting and pulling hair are NEVER okay.
